**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of Sonic in Daly City, CA. The Telecom Act's unbundling provisions are **critical** to what little competition we have left. I have a DSL connection - exactly the kind of connection that the lobbyists would tell you doesn't exist. If they are booted out by the local phone company, I will lose the only internet service I care to use. It's not a matter of marginal difference on price or bogus "free" giveaways. It's a fundamentally different level of quality, that **only** Sonic provides.

Just leave it alone. Stop ruining things. Just, please, stop. Go home. Watch TV. Read a book. Take it easy.
